## Portfolio

### About

My name is Faisal Ameen. I recently graduated with a Bachelor's degree in Software Engineering. I have a strong interest in technology and communication, and I'm eager to start my career in a professional environment where I can grow, learn, and contribute.

### SKILLS

#### Front-end Web Development:

- HTML, CSS, Tailwind CSS
- JavaScript
- React.js

#### Back-end Technologies:

- Next.js
- Node.js, Express.js
- MongoDB

#### Tools & Deployment:

- Vs-code
- Git & GitHub
- Vercel, Netlify

### WORK EXPERIENCE

#### Devaura Tech- MERN Stack

Aug 2025 - Nov 2025

- Developed and deployed responsive web applications by integrating dynamic front-end interfaces with robust back-end architectures, enhancing functionality and user experience across platforms.
- Implemented API-driven solutions and modular components using modern frameworks,
- streamlining data flow and ensuring seamless interaction between client and server systems

#### Delta Code - Frontend developer Intern

Jul 2024 - Dec 2024

- Gained hands-on experience in developing responsive web interfaces using React.js and Next.js.
- Built reusable UI components to improve performance and user experience.
- Applied modern frontend techniques for routing, state management, and API integration..

### PROJECTS

#### Currency Converter web application [↗](#)

- Built a Currency Converter application using React.js and Fetch API to display live exchange rates for multiple countries.

#### Ecommerce Website [↗](#)

- Developed a responsive e-commerce website using React.js. Integrated a dummy API to fetch product data and implemented global state management with Context API.

#### Tic Tac Toe [↗](#)

- Designed and developed a classic Tic Tac Toe game using HTML, CSS, and JavaScript with basic AI for single-player mode.

#### Luxury Hotel Site [↗](#)

- Developed a fully responsive website using HTML, Bootstrap, and JavaScript, optimized for all screen sizes and devices.

### EDUCATION

The Islamia University of Bahawalpur

2021-2025

Bachelor of Software Engineering - 3.68 / 4.0 CGPA
